

# men's dress shoes

WHEN we say DRESS SHOES we mean the Best Lookers, Best Feelers and the best quality Men's Shoes obtainable, and that naturally means Walkovers for \$3.50, \$4 and \$5 Shoes, and Nettleton for \$5.50, \$6 and \$6.50.

WE are showing the Fall Shoes in all the leathers --- vicis, calf and patents. The calf has the call, because it gives better results.

Button Shoes are still popular; of course, lace shoes are always good. Take our word, or if you prefer, the word of your neighbor, and you will find there is nothing quite so good as Walker and Nettleton shoes, for comfort, service and looks

Colliers' Weekly shows up the big majority of the newspapers of West Virginia in a very unenviable light. All but about ten admitted their willingness to sell their editorial columns to the liquor interests in the fight against state-wide prohibition. A skilful trap was laid and the editors who have no manhood about them, took the bait—under hook and line. We'd hate to think that Kentucky editors would prove as mercenary. Colliers' is a "great publication and doing a great work."

A Missouri editor says that Wilson is standing on his record; Taft is sitting on his and Roosevelt calls you a liar if you mention his.

General Nogi, the hero of the Russian war, committed suicide last week, so as to accompany the spirit of his master, the Emperor of Japan to the other world. His act is regarded by the Japanese as typifying the highest degree of patriotism. His wife also took her life. It was a dual suicide of the most unusual and romantic character.

A tremendous crowd of democrats will be in Lexington Thursday to attend the opening of the campaign. Many Lincoln democrats will be there.

## THESE SIX LETTERS From New England Women

Prove that Lydia E. Pinkham's Vegetable Compound Does Restore the Health of Ailing Women.

Boston, Mass.—"I was passing through the Change of Life and suffered from hemorrhages (sometimes lasting for weeks), and could get nothing to check them. I began taking Lydia E. Pinkham's Vegetable Compound (tablet form) on Tuesday, and the following Saturday morning the hemorrhages stopped. I have taken them regularly ever since and am steadily gaining."

"I certainly think that every one who is troubled as I was should give your Compound Tablets a faithful trial, and they will find relief."—Mrs. GAZNES JURY, 502 Fifth Street, South Boston, Mass.

**Letter from Mrs. Julia King, Phoenix, R.I.**

Phoenix, R.I.—"I worked steady in the mill from the time I was 12 years old until I had been married a year, and I think that caused my bad feelings. I had soreness in my side near my left hip that went around to my back, and sometimes I would have to lie in bed for two or three days. I was not able to do my housework."

"Lydia E. Pinkham's Vegetable Compound has helped me wonderfully in every way. You may use my letter for the good of others. I am only too glad to do anything within my power to recommend your medicine."—Mrs. JULIA KING, Box 242, Phoenix, R.I.

**Letter from Mrs. Etta Donovan, Willimantic, Conn.**

Willimantic, Conn.—"For five years I suffered untold agony from female troubles causing backache, irregularities, dizziness, and nervous prostration. It was impossible for me to walk up stairs without stopping on the way. I was all run down in every way."

"I tried three doctors and each told me something different. I received no benefit from any of them but seemed to suffer more. The last doctor said it was no use for me to take anything as nothing would restore me to health again. So I began taking Lydia E. Pinkham's Vegetable Compound to see what it would do, and by taking seven bottles of the Compound and other treatment you advised, I am restored to my natural health."—Mrs. ETTA DONOVAN, 763 Main Street, Willimantic, Conn.

**Letter from Mrs. Winfield Dana, Augusta, Me.**

Augusta, Me.—"Lydia E. Pinkham's Vegetable Compound has cured the backache, headache, and the bad pain I had in my right side, and I am perfectly well."—Mrs. WINFIELD DANA, R.F.D. No. 2, Augusta, Me.

**Letter from Mrs. J. A. Thompson, Newport, Vt.**

Newport, Vt.—"I thank you for the great benefit Lydia E. Pinkham's Vegetable Compound has done me. I took eight bottles and it did wonders for me, as I was a nervous wreck when I began taking it. I shall always speak a good word for it to my friends."—Mrs. JOHN A. THOMPSON, Box 2, Newport Center, Vermont.

**Letter from Miss Grace Dodds, Bethlehem, N.H.**

Bethlehem, N.H.—"By working very hard, sweeping carpets, washing, ironing, lifting heavy baskets of clothes, etc., I got all run down. I was sick in bed every month."

"This last Spring my mother got Lydia E. Pinkham's Vegetable Compound for me, and already I feel like another girl. I am regular and do not have the pains that I did, and do not have to go to bed. I will tell all my friends what the Compound is doing for me."—Miss GRACE B. DODDS, Box 123, Bethlehem, N.H.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ailments. No one sick with women's ailments does justice to herself who will not try this famous medicine, made from roots and herbs. It has restored so many suffering women to health. Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

John runs the mill at Parksville and feeds his stock until they are ready to run at the drop of the hat and when one of his men left this team in front of Keane's store they showed Junction City a nice burst of speed. Beyond running into a telephone post and breaking a stay wire no damage was done.

Mr. George Shelby is ill at his home in Lincoln county.

Mr. Gratton Preston, a local blacksmith, shod a horse Saturday for the great grandson of a man

### FARM AND STOCK NEWS

Top hogs are \$9 at Cincinnati. For Sale—13 nice pigs. A.S. Price R. H. Crow, the popular Shelby City farmer, sold a four-year-old horse mule, 16 hands in height, to W. H. Shanks for \$165. Mr. Crow also recently sold a fine Aberdeen Angus bull calf to Robert Shearer, of Garrard, at a fancy price.

There was quite a lot of stock on the market Danville court day, but not much trading. Danville is not considered much of a cattle market, though some of the biggest buyers in this part of the state are located there. M. J. Farris, Jr., bought three Jersey heifers from a Gravel Switch party at 4 cents a pound.

Senator R. L. Hubble got in last week from Missouri points with a couple of car-loads of mighty fine looking mules, ranging in age from yearlings to four-year-olds. He bought them right, and all who have seen them have been impressed with their looks. Senator Hubble will feed them until late in November and then ship them south.

The \$1,000 stake at the State Fair last week was won by the great mare Hazel Dawn which was sold by Dick Seudder, of this county to W. G. Shropshire, of Winchester, a few months ago. Bob Moreland's Nickle Plate, a handsome grey gelding was second with Mat Cohen's Mary Fox third and Mrs. Lowndes' Kentucky's Choice fourth and P. W. Ray's Major Dare fifth. Bourbon Prince, Princess V. and Bohemian Girl were misplaced.

Capt. T. D. English, of Danville, reports the sale of the James L. Neal farm in Mercer county to G. M. Ballard Saturday at \$130 an acre. There are 170 acres in the property, which is known as the old Major Handy farm and is considered one of the nicest tracts in Mercer county. It lies four miles out of Harrodsburg on the Shakerstown pike. Rue & Curry, the bustling real estate men of Harrodsburg, conducted the sale. Farm stock also sold well at the sale. Work mules brought from \$170 to \$225; milk cows from \$40 to \$60 and hogs at 8 1-4 cents a pound.

The Richmond Climax says: T. S. Robertson, of Sharpshurg, one of Kentucky's most widely known mule dealers, has made a sale recently that is a record-breaker for prices paid for suckling mule colts. He sold to S. S. Ralls another mule dealer of that place, three suckling mule colts for \$650. Mr. W. C. Massie, of Bourbon county purchased last week three fine brood mares in Madison for which he paid \$1,000. Mr. Massie secured one each from General Black, Alex Gibbs and Parrish Bros. These animals were high class brood mares, as the price paid indicates.

The Lancaster Record says: Mr. Jacob Y. Robinson left Tuesday for Butler, Ga., where he will remain until Jan. 1st, when he will go to Columbia, Ga., for the remainder of the winter. He will engage extensively in the handling of mules. Mr. Robinson will be followed shortly by his brothers J. Fleece and George D., who will endeavor to seek out a suitable location, in Georgia, and if they succeed in finding a suitable location, they too will spend their winters in that state, and will also be joined by their mother, Mrs. Jane Robinson. We are glad to state that all of these gentlemen will continue to retain their citizenship in and call Lancaster their homes.

Dr. Wiley's noted "poison squad" is to be imitated in tests upon the horses and cattle of the Government's experimental farm, near Bethesda, Md. "Sulphured oats" and other treated grains, the food value of which is causing a controversy between the pure food authorities and the grain men of the Middle West will be fed to the animals for a short period and upon the result probably will depend about \$30,000,000 a year.
